HEALTH REMINDERS!

Don't let the calendar year end without taking advantage of **FREE HEALTH SCREENINGS** provided through your **2017 CHI Medical Plan** benefits

✓ **Schedule a FREE Annual Wellness Exam**

Create a personalized wellness plan, review your medical history, medications and get help scheduling appropriate screenings.

✓ **Schedule your Mammogram**

Call the nearest KentuckyOne Health facility to schedule before year-end. Women, age 40+ should have a screening mammogram every 24 months.

✓ **Get an A1c**

If you have diabetes, you should have an A1c test at least twice each year or as directed by your primary care provider.

✓ **Schedule your Colonoscopy**

If you are age 50 or older, call 855.34.KYONE (59663) to schedule a screening colonoscopy. You can also talk with your primary care provider about other approved colon cancer screening tools.

Need a primary care provider? Call 844.595.3503 for help finding a provider.

KentuckyOne Health employees and their dependents using the CHI Medical Plan have the benefit of using the services of KentuckyOne Health Partners.
