Primary Care Providers

With our **Employee Access Concierge Service** access line – **844.595.3503** – employees receive preferred access to physician appointment scheduling for **primary care visits**, including annual wellness exams. This benefit is available to our employees as part of our commitment to your health and wellness. Dial the access line and tell the guest service representative you are a KentuckyOne Health employee. You will be assisted in finding the best provider based on your primary care needs, and will receive the first available appointment with that primary care provider.
